

GHANA MARITIME AUTHORITY

CLEANING OF THE GHANA SHIP REGISTER

The Ghana Maritime Authority hereby requests owners/operators and mortgages of the under- listed Ghanaian registered ships to clarify the status of their vessels to the Ghana Maritime Authority within three (3) weeks of the publication of this notice or have the registries of their vessels cancelled in the Ghana Register of Ships.

It will be assumed that the ship has flagged-out, ceased to qualify to be registered as a Ghanaian ship or to have been lost or broken up if at the end of the period given the status of the ship has not been made known to the Authority.

Under section 10 of the Ghana Shipping Act, 2003 (Act 645) the Registrar of Ship is mandated to cancel the registration of the ship in any of the aforementioned circumstances.
